

example.cpp

```
graph TD; A[example.cpp] --> B[example.h]
```

A diagram showing a vertical relationship between two files. At the top is a gray rectangular box with a black border containing the text 'example.cpp'. A thick blue arrow points downwards from the bottom center of this box to the top center of a white rectangular box with a black border below it. The white box contains the text 'example.h'.

example.h
