

doctest::registerReporter

```
graph LR; A[doctest::registerReporter] --> B[doctest::detail::registerReporterImpl];
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text 'doctest::registerReporter'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'doctest::detail::registerReporterImpl'.

doctest::detail::registerReporterImpl
